Foundational Questions

Who made us? God made us.

Why did God make us? To know Him, love Him, serve Him in this world and be happy with Him forever in the next.

How must we live? With all our heart, soul, mind, and strength.

What Is an Angel?

Angels are personal, immortal, purely spiritual beings with intelligence and free will, created by God to serve His divine plan.

What Angels Are NOT

- dead relatives
- ghosts
- energy fields
- myths or symbols
- emotions or the 'universe watching over you'

What Angels ARE

- real
- personal
- intelligent
- hierarchical
- active in the world right now

First Principle: Angels Do NOT Grow Like Humans

They do not age, develop, learn gradually, or change. They were created complete with infused knowledge.

Naming Your Angel?

The Church advises humility: do not name or seek the hidden name of your guardian angel. God did not reveal it for a reason.

Why Do Some Angels Seem Stronger?

1. By Nature (rank of creation)
2. By Grace and Glory (faithfulness to God)
3. By Sin (fallen angels lost grace though retain natural power)

When Were Angels Created?

At the beginning of creation, before man. They exist in a state called aeviternity — between time and eternity.

The Nine Choirs of Angels (3–3–3 Structure)

Sphere 1 – Worship: Seraphim, Cherubim, Thrones

Sphere 2 – Governance: Dominions, Virtues, Powers

Sphere 3 – Close to Humanity: Principalities, Archangels, Angels (Guardian Angels)

Memory Aid

“Sacred Choirs Teach Divine Virtue, Protect People Always.”

Top → Worship | Middle → Rule | Bottom → Rescue

Why This Matters Spiritually
